Nature play

COMMUNITY TREASURE HUNT

Communities Feeding Communities Initiative invites your whanau to help to create our nature play area

We are looking to create a nature play area based on the idea of a mud kitchen.

Would you like to contribute? We are collecting natural resources. Help us by going on a treasure hunt around bushes and beaches to collect the treasures we are looking for. Please bring back to your school/childcare or 1207 Dominion Road to donate towards our nature play area.

The treasures we are looking for are:

- Pinecones
- Shells
- Old wooden spoons
- Old bowls
- Old pots and pans
- Rocks
